- 4 The proposed development is contrary to Policy PCP 1 of Planning Policy Statement 12 (Housing in Settlements) as the scheme fails to take account of local character, environmental quality and amenity, as the form, scale and mass of the proposed development does not respect that of adjacent housing, and will result in unacceptable town cramming.

27.3 RURAL DEVELOPMENT PROGRAMME

Following a meeting between DARD Officials and senior Council Officers it has been made clear that it is essential that there is representation from the five main political parties (DUP SF UUP SDLP ALL) on the Local Action Group (LAG). Currently, neither SF nor Alliance is represented on the body group following the nomination of two members by each of the five councils in the Cluster. There is also a significant gender imbalance. In an attempt to address the problem, it has been agreed that each Council be asked to nominate one additional member to address the political and gender imbalance. The nominations are provisional depending on whether the process had addressed the imbalance. Committee is invited to nominate one additional member.

During discussion, the Chief Executive clarified the rationale in DARD's request for nominees from all parties and Council's current representation.

It was proposed by Councillor Kennedy, seconded by Councillor McCamphill

that Councillor Cavlan be nominated to represent Council on the Rural Development Partnership Local Action Group (LAG).

It was proposed proposed by Councillor Stevenson, seconded by Councillor Robinson

that Councillor Patterson be nominated to represent Council on the Rural Development Partnership Local Action Group (LAG).

The Chairman put the motions to the meeting with Councillor McCamphill requesting that the vote be recorded. Voting was recorded as follows:

Councillor Cavlan (4)

Councillor Cavlan
Councillor Kennedy
Councillor McCamphill
Alderman Connolly

Councillor Patterson (5)

Councillor Finlay
Alderman Campbell
Councillor Stevenson
Councillor Robinson
Councillor Wilson

Abstentions (3)

Alderman Cousley
Councillor Patterson
Councillor McKeown

The Chair declared Councillor Patterson elected to the additional place on the Rural Development Partnership Local Action Group.

Councillor Cavlan expressed disappointment at Council's decision not to appoint her, being a member of the second largest party on the Council.

* **Councillor Cavlan left the meeting at 3.00 pm.**

27.4 CONSULTATION ON ELECTRICITY AND GAS RETAIL MARKET COMPETITION IN NORTHERN IRELAND

During the course of 2007, the Northern Ireland electricity and Greater Belfast gas markets were fully liberalised, with all customers able, in theory, to choose their gas and electricity supplier. At the same time, a new all-island electricity wholesale market (the SEM) was established, creating much improved arrangements for the trading of electricity and providing a stronger basis for attracting new entrants into the electricity retail market and for the further development of retail competition. A copy of the Executive Summary was circulated and members are invited to comment should they wish to do so.

27.5 GARAGE, 47 HIGH STREET, BALLYMONEY

Council agreed, on the recommendation of the Development Committee (meeting 193 on 21st April) to confirm an offer for a lock up garage currently under offer at 47 High Street, Ballymoney. The asking price is offers over £20,000.

It was proposed by Councillor Finlay, seconded by Alderman Connolly and **AGREED:**

that Council 'Move into Committee' to receive an update from the Chief Executive on bids for the garage.

* **The Press left the meeting at 3.00 pm.**

In committee, the Chief Executive updated the meeting on two other bids on the property and advice from an independent valuer.

It was proposed by Councillor Kennedy, seconded by Councillor Robinson and **AGREED:**

that Council withdraw its bid for the acquisition of the property at 47 High Street, Ballymoney.

This being all the business, the meeting closed at 3.15 pm.
