ENVIRONMENTAL PROTECTION

907.5 UPDATING AND SCREENING ASSESSMENT 2009

Ballymoney Borough Council is under a statutory obligation to review and assess air quality from time to time. This is known as local air quality management (LAQM).

A phased approach is used to review and assess air quality. The first stage of the review and assessment process is an updating and screening assessment. This

identifies any changes that have occurred since the previous round that may have an effect on air quality and which require a more detailed assessment.

An updating and screening assessment has been completed for Ballymoney Borough Council and has been circulated electronically to members. The conclusion of this report was that no further detailed assessments are required for any pollutants, that monitoring of nitrogen dioxide should be continued and that the Ballymoney Town Air Quality Management Area may now be revoked. Prior to revoking the AQMA the USA 2009 will be submitted to the DoE for approval.

IT IS RECOMMENDED that Council notes the conclusion of the updating and screening assessment.

It was proposed by Councillor Robinson, seconded by Alderman Connolly and
AGREED:

that Council notes the conclusion of the updating and screening assessment.

907.6 WITHDRAWAL OF CONDITIONAL APPROVAL OF A STANDALONE COLD STORE UNDER REGULATION (EC) NOS. 852/2004, 853/2004 AND 882/2004 DUE TO PREMISES CLOSURE

Premises: Fleming Poultry Ltd, 31 Ballymena Rd, Ballymoney BT53 7EX

The above premise was granted conditional approval as a cold store on 2nd October 2006 (Council minute 849.7 refers). This conditional approval was then granted an extension on 5th February 2007 (Council minute 855.11 refers).

During the extension period the premise ceased operation and the required documentation was not received. Ad hoc visits to the premise in August 2007 and November 2008 revealed that the premise was being used for the storage of food packaging and crates. There was no food on the premise and the cold stores were not in operation. Subsequent attempts to gain access to the premise have been unsuccessful, as it has been locked.

It is now necessary to withdraw the premises Conditional Approval under Article 31(2)(e) of Regulation (EC) No. 882/2004 as they have failed to comply with the requirements to obtain full approval and they have ceased operating as a cold store.

IT IS RECOMMENDED that Council withdraw the Conditional Approval under Article 31(2)(e) of Regulation (EC) No 882/2004 for Fleming Poultry Ltd as they have failed to comply with the requirements of Regulation (EC) 853/2004 to obtain full approval and have ceased trading.

It was proposed by Councillor Robinson, seconded by Alderman Connolly and
AGREED:

that Council withdraw the Conditional Approval under Article 31(2)(e) of Regulation (EC) No 882/2004 for Fleming Poultry Ltd for reasons as outlined.

907.22 ARDS BOROUGH COUNCIL

Resolution – PSNI Full Time Reserve

At a recent meeting of the Council, it was resolved to write to the Prime Minister, Rt Hon Gordon Brown MP, and the Secretary of State for Northern Ireland, the First Minister and the Chief Constable of the PSNI:-

- a) *expressing grave concern over the 50:50 practice of recruiting to the Police Service of Northern Ireland and the reduction of the Full Time Reserve and;*
- b) *seeking support in the call for Full Time Reserve Officers' contracts to be extended to ensure proper policing throughout all communities.*

In the course of debate members paid tribute to Full Time Reserve Officers who have for many years, and in the most difficult of circumstances, ably supported and worked alongside their full time “regular” colleagues.

They understood that the Full Time Reserve is to be replaced by “raw recruits” who, whilst undoubtedly being capable individuals, lacked the Reserve’s experience and expertise. Further, the Council considered that the consequences of the Reserve’s disbandment would detrimentally affect community policing as police officers would have less time to “spend on the beat”.

Reference was made to recommendation 103 of the Patten Report which called for the eventual removal of the Reserve Police Officers, but only if the security circumstances were right. Members are of the strong view that, as there remains an ongoing dissident terrorist threat in Northern Ireland and while violent crime, armed robberies and theft are increasing, the circumstances are not conducive to the removal of the Reserve.

The Council also resolved to seek the support of the 25 Councils in Northern Ireland.

It was proposed by Councillor Finlay, seconded by Councillor Patterson and **AGREED:**

that Council support Ards Borough Council in its representations to the Prime Minister, the Secretary of State for Northern Ireland, the First Minister and the Chief Constable on PSNI Full Time Reserves
