In response to a Member's question on this topic, the Town Clerk and Chief Executive advised that, as the recommendation to Council from the Policy and Development Committee had been made 'In Committee', any further debate should also be held 'In Committee' unless Council wished it to be held in open session.

The Head of Development Services confirmed that the net cost of this capital scheme over the five-year period would be £7.18 million. Loan charges over the five-year period would total approximately £545,000.

Members were again asked if they wished to hold the discussion in open session and it was proposed by Alderman Mrs. Hickey and seconded by Councillor McLaughlin:

The Town Clerk and Chief Executive advised that he had written to any Members affected by this piece of legislation, which came into effect on 1st April, 2010.

At this point in the meeting, Councillor Dallat informed Members that he was taking the opportunity offered by the legislation to resign from Council after thirty-three years of service. He paid tribute to colleagues, members of various political parties who he considered to be friends and to Council staff. He cited his greatest achievement with Council as the signing of the agreement with Zomba, alongside Alderman McClarty, which had resulted in improved conditions for people in that very poor part of the world through the support of Council and the fundraising efforts of people of the Borough.

Councillor Dallat expressed the hope that the Minister would allow Council to progress its development programmes, particularly in relation to much needed job creation, and advised that his replacement on Council would be Ms. Roisin Loftus.

Members noted that a contributory factor to Councillor Dallat's difficult decision had been his recent appointment to the Committee of the Regions of the European

Parliament. He thanked all those who had made his life in Council so rewarding and expressed his sadness at leaving.
