**PRESENTATION BY N.I. EQUALITY COMMISSION:**

The chair welcomed Ms Evelyn Collins, Chief Executive and Ms Jackie McKee, Head of Employment Development, Northern Ireland Equality Commission to the meeting.

Ms Collins stated that the Equality Commission was an independent public body established under the Northern Ireland Act 1998 and its role was to advance equality, promote equality of opportunity, encourage good relations and challenge discrimination through promotion, advice and enforcement. She added that the Commission was now responsible for promoting awareness and enforcing anti-discrimination law on the grounds of age, disability, race, sexual orientation, religious belief and political opinion.

Ms Collins outlined that the general duties of the Commission were:

- ◆ working towards the elimination of discrimination
- ◆ promotion equality of opportunity and encouraging good practice
- ◆ promoting affirmative positive action
- ◆ promoting good relations between people of different racial groups
- ◆ overseeing the implementation and effectiveness of the statutory duty on public authorities and
- ◆ keeping the relevant legislation under review.

In the question and answer session which followed, the work of the Commission was applauded on one hand, but on the other the lack of faith in the organisation was voiced, specifically in relation to emblems and flying of the union flag. The need to respect each other was highlighted and some members indicated that there

appeared to be a level of discrimination within Council at present or discrimination had taken place in the past.

Ms Collins responded that she welcomed the range of views expressed. She wished members well in working together and said the Commission would be willing to advise Council in the future.

Several members queried why the minutes of 1<sup>st</sup> July which had been included on the agenda had not been discussed at the meeting on 10 July 2008. Members were advised that the order of the meeting had been changed on other occasions. It was suggested that a training event was needed on chairing of Council meeting and application of Standing Orders. Councillor Coyle proposed, seconded by Councillor Butcher that Standing Orders be reviewed on a regular basis, i.e. annually or biannually to tease out grey areas.

He said it was proposed to recruit, train and deploy two part-time Community Wardens within Limavady Town, working 20 hours per week, with Council being the employing authority for a one year period.

Members noted that the costs associated with the posts were £36,000, however funding of £9,000 had been confirmed through the Policing Community Fund; £9,000 from the Neighbourhood Renewal Programme and confirmation was awaited from the NI Housing Executive of £9,000. It was also noted that the Community Safety Partnership were supportive of the proposed initiative and a financial contribution towards the costs of the posts was currently being explored.

*‘That this Council recognise the contribution and commitment made by the RIR and TA in their tours of duty in Iraq & Afghanistan and that Council hold a civic reception in their honour.’*

In support of the motion he said that the soldiers were brave, served with distinction and were a credit to their families. Alderman Robinson seconded the proposal to host a civic reception in the soldier’s honour.

In the debate which followed, a number of views were expressed to the wars in both Afghanistan and Iraq, including the sense of duty of the soldier's who fought on behalf of their country and that this should be honoured. Other members pointed out that over 600,000 innocent people had been killed in both wars which they argued was illegal. It was pointed out that to support the motion would be to signal agreement with the wars themselves. Members in favour of the motion argued that it was not a reflection on the legitimacy of the war but to honour those who had risked their lives in the line of duty. After further debate, the proposal was put to the meeting and declared lost, with 6 voting for and 7 against.

#### **NOTICE OF MOTION SUBMITTED BY COUNCILLOR COYLE:**

Councillor Coyle proposed:

*'That this Council has no confidence in the chair of the Development Services and calls on him to consider his future position as chair of this committee.'*

Before the motion would be debated, the Chief Executive informed members that Councillor Robinson had tendered his resignation as chair of the Development Services committee. In light of this Councillor Coyle withdrew the notice of motion.
